The CHRONICLE staff gratefully acknowledges the help extended to us by Mr. James Norman, Co-ordinator of Community Development & College Relations, in the many pictures that he has made available.

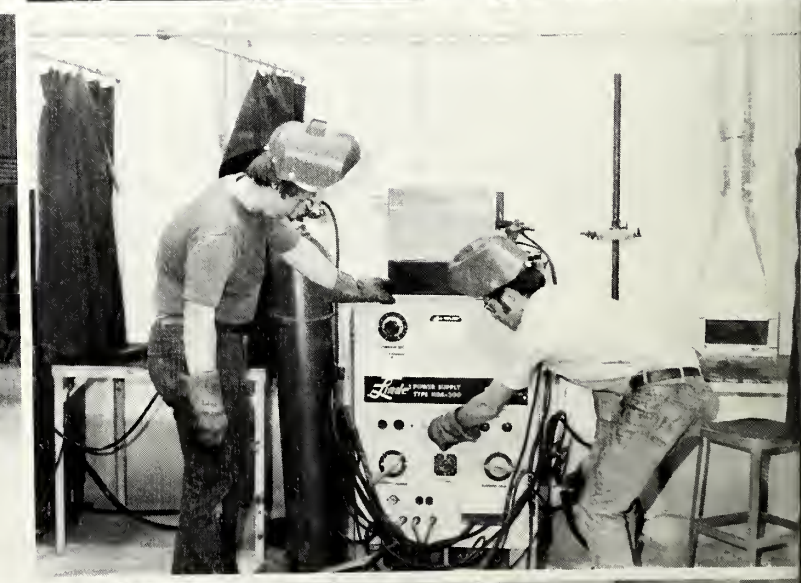

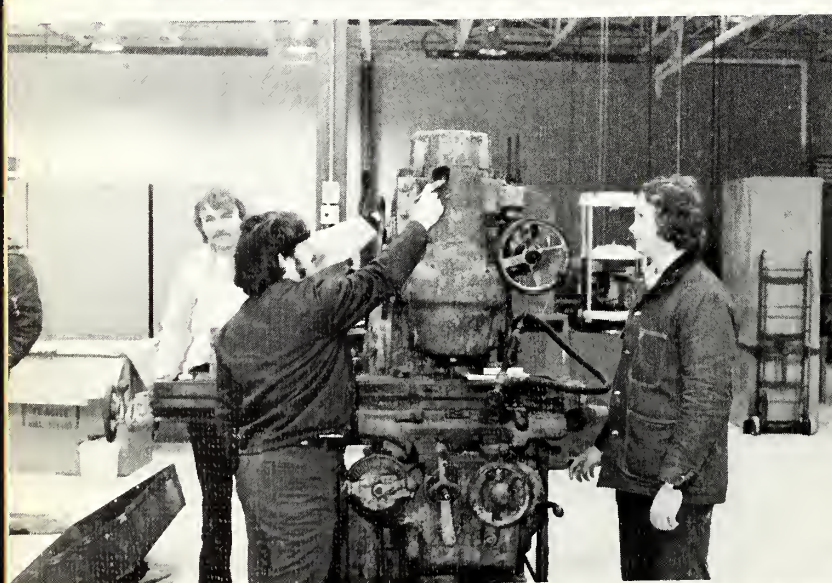

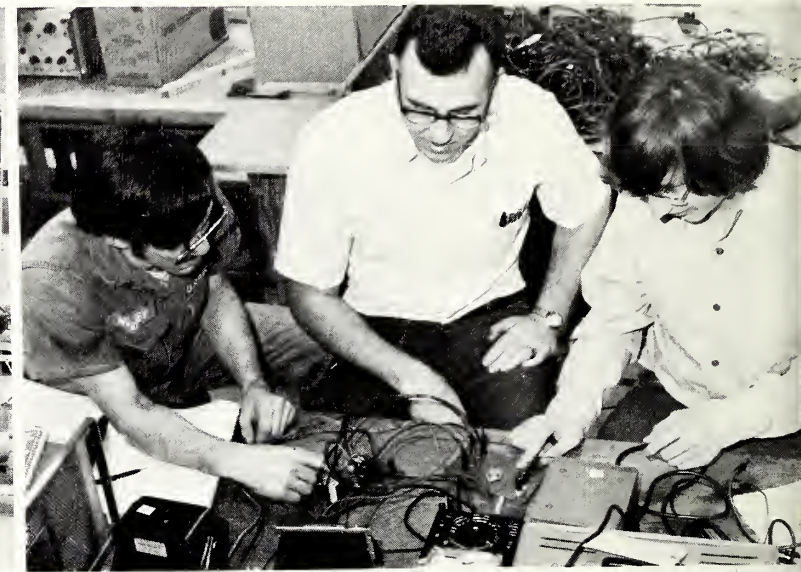

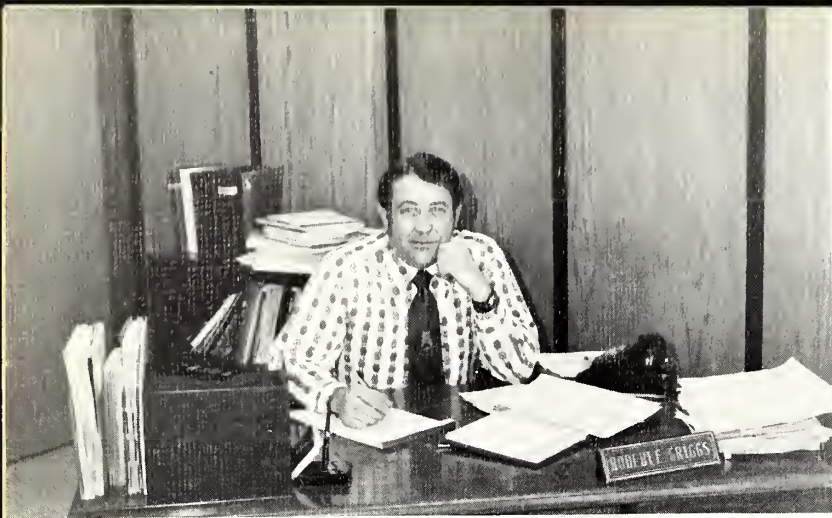

PREFACE

The 1974 Chronicle is dedicated to the citizens of the Community College District 507. During 1973 and 1974 the geographical boundaries of the College District doubled in size, allowing us to take our programs and services to a greater number of communities. We have completed the year with optimum and optimism. The year in retrospect follows.

Mr. William J. Langas
